

A note from our 4K Families....

“Our children both went through Agape Christian Preschool, and we couldn’t have imagined then going to 4K anywhere else! The 4K teachers were fantastic and really helped our son become confident and ready for Kindergarten! We could not have asked for a better experience. Thank you, Agape!” The Vesely Family

All 4 of my children have participated in the Agape Christian Preschool’s 3-year-old pre-school program and thrived. Our youngest two were also able to be part of the 4K program. The staff genuinely cares about each child and strives to make the program a successful experience for them. The teachers implement motivating and engaging activities that capture the interest and curiosities of the children. They understand the needs of 3 & 4 year old’s; making sure their learning experiences are filled with lots of movement, play and plenty of social and emotional opportunities. I couldn’t have asked for a better preschool experience for my children.”

4K Program

MH 4K

Mount Horeb Aera School District is proud to provide four year old kindergarten programming to all interested and eligible four year old children in MHASD. Four year old kindergarten provides children with quality early learning experiences that lay a solid foundation for future success in school. Numerous research studies show long-term benefits for children who participate in high-quality, early learning programs, such as increased cognition knowledge, motor skills and language. Offering 4K through the school district ensures universal access to a quality pre-kindergarten program for all four year old children.

ACP Mission

ACP is a state licensed, non-profit, part day preschool program founded in 1990 by Evangelical Lutheran Church of Mt. Horeb (ELC MH). Agape (ah-gah-pay) is the Greek word for "Unconditional Love". It is our objective to provide a stimulating and loving environment for all enrolled children.

ACP 4K Program Days & Hours

Our 4K program will meet the DPI requirements of 437 instructional hours and 87.5 hours of parental involvement. 4K program days will be Tuesday through Friday with no classes on Mondays. The 4K program hours are:

- AM Session: 8:05 am—11:10 am
- PM Session: 12:10 pm—3:15 pm

Our Learning Standards

The teachers for the MH4K program will use Wisconsin Early Learning Standards as a curriculum guide. All teachers will hold a 4 year degree in early childhood, pre-kindergarten or kindergarten and will be highly qualified to work with preschool children. In addition, the teachers and assistant teachers will continue to meet annual continuing education requirements.

Family Outreach

An important component of MH4K is the Family Outreach Program. This program will provide parents and children opportunities to grow as a family through activities, presentations and workshops.

4K Daily Activities at ACP

Each child will be given the opportunity to learn at their own pace and in the way preschoolers learn best... through play! What looks like play has actually been planned by our teaching staff to develop specific skills your child will need as they progress through school and into adult life. Your child's 4K program will include a balance between the following activities:

- Large and Small Group learning
- Individual Learning experiences
- Teacher directed and child selected activities
- Indoor and outdoor play
- Schedules, transitions and routines
- Snack time and bathroom breaks

When to Enroll

Students participating in a MH4K program must be 4 years of age on or before September 1. There will be no early admissions. For enrollment information, please visit the school district website at www.mounthorebschools.org select schools and MH4K.

Welcome to Agape Christian Preschool

4 year old Kindergarten Programming
