February 24 - 28

Hello 4K Families

This week we started learning about Dr. Seuss by reading books and doing different projects. As we read some of the books we listened for all the fun rhyming words and how he made up so many funny ones too. Next week we will continue celebrating Dr. Seuss with fun dress up days!

After reading part of *The Lorax*, students could plant "Truffala Trees" (They're actually flower seeds so keep watering the cup of "dirt" that came home and you'll see sprouts soon!)
