

The Philosophy of Toddler Time

ACP is a nondenominational outreach ministry to the Mt. Horeb community & surrounding areas. It is our intention to provide a comprehensive and developmentally appropriate program.

Traits such as being kind, helping one another, being responsible, sharing and forgiving are all demonstrated, discussed and encouraged at every opportunity. Our curriculum focuses on the basic concepts of social and emotional behavior.

Each session of Toddler Time will include age-appropriate playtime inside and outside, art, music, sensory, math, science and literacy.

We hope that ACP will be a wonderful experience for your children now and in their life going forward.

Welcome to Toddler Time

Toddler Time is an adult/child program for children ages 2 through 3 years of age and their caregivers. The purpose of Toddler Time is to provide a fun, stimulating environment for the child and caregiver.

Our Mission

Our school is a state licensed, nonprofit, part day program founded by the Evangelical Lutheran Church of Mt. Horeb in 1990. Agape (ah-gah-pay) is the Greek word meaning “unconditional love”. Each child is a valuable gift, and it is therefore our objective to provide a stimulating environment to include the following areas:

- Social and Emotional
- Physical
- Intellectual
- Behavioral

Schedule of Activities

Is toilet training required for participation?

In short, No, children do not need to be toileting independently to participate in Toddler Time. The adult who is attending the program with the child is responsible for assisting with toileting and/or diapering needs.

Advantages of Attending

Participants enjoy many benefits that include a classroom with an upbeat and positive atmosphere. Children can play and interact with their peers at their own pace, always having the security of a parent or caregiver close by. This format is a wonderful introduction for children as it may be their first interaction with school and/or a group environment. Children can engage in thematic activities while gaining experience in a group setting. Parents and caregivers can connect with each other, while enjoying their child’s learning as they move with them through the daily schedule.

General Information

Toddler Time is held weekly on Friday mornings from 9:00 am – 10:30 am.

Families may opt to reserve a slot for their child(ren) by enrolling for a full semester.
