

# Agape 3K Newsletter

## January 26 - 30

### HELLO 3K FAMILIES

This week was all about hibernation and nocturnal animals. The students all thought it was crazy that some animals go to sleep for many months. They all agreed that they would not want to do that! These two cuties built a fun area for their animals to hibernate.

### ART TIME

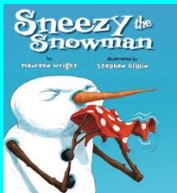

Big orange and brown owls were painted at the easel, and then faces and feathers were added. We made fun owl puppets.

Hibernating bumblebees were finger-painted with yellow paint onto bee hives. When the paint was dry, we added stripes and an antenna.

### STORY TIME & LITERACY

Sneezy the Snowman by Maureen Wright

Wow! Said the Owl by Tim Hopgood

Little Owl's Night by Divya Srinivasan

### MOTOR SKILLS, MATH & SCIENCE

The color of the month: WHITE  
The letter of the week: N for NIGHT

Ask your child to find white objects and talk about words that start with the letter N.

We love sorting shapes and colors on the big magnet board. This is a good way to learn colors and achieve basic math concepts.

### MUSIC

We had a lot of fun using rhythm sticks, singing Frosty the Snowman, and doing the Beanie Baby Dance this week!

### REMINDERS

Butter Braid Fundraiser - Now until February 13. Online ordering is going well, and all families should

have paper order forms. Thanks for your help, and reach out if you have any questions!

Lots of building with the Magnatiles

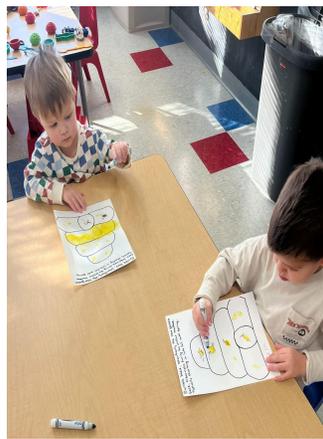

Kitchen Friends

Farm Fun

Naming Letters

Decorating the Bees

The Treehouse was very popular today

Ms. Hannah visited today from the MH Public Library. We had so much fun!

We love to color at school
