

TODDLER TIME

FRIDAYS 9:00 AM -10:30 AM

Join us weekly for a fun, stimulating environment for your child. Children can play and interact with their peers at their own pace, always having the security of a parent or caregiver close by. This is a wonderful way for children to get introduced to a school or group setting. Children can participate in activities and develop group experience, while parents and

Agape
Christian Preschool

caregivers can build connections with one another.

This program includes weekly themes, art activities, music, and more! \$5 for one child or \$10 per family.
