Welcome to ACP for the 2026 - 2027 school year. This packet contains all the information necessary to enroll your child. New forms are required each school year. Your child is eligible for enrollment when the paperwork and fees are correctly completed and returned to the ACP office. Please complete all forms with black or blue ink and sign where required. Unsigned forms are considered incomplete and will be returned for signatures. If you have any questions, please contact Amy Kellesvig, Director of ACP.

Enrollment is processed upon receipt of the following forms:

- Registration** - Completion of these 7 forms listed and receipt of the \$75 registration fee guarantees enrollment. If registering after June 30, 2026, please remit \$115.00. The registration fee is non-refundable and does not apply towards tuition. Confirmation of enrollment will be emailed at the end of April 2026.
- Childcare Enrollment** - required by State Licensing.
- Health History** - required by State Licensing.
- Emergency Care Card** – required by State Licensing.
- All About Me** – our teachers use this information to learn about your child.
- Internet/Social Media/Photo Release Form**
- Parent Handbook** – Please sign the last page and return it with your completed enrollment forms. The handbook contains information to prepare you and your child for preschool. It should be read and retained for future reference.

Due on or before October 1, 2026:

- Day Care Immunization** - required by Wisconsin State Licensing. You have two options for submitting your child's immunization information:
Option 1: Attach a copy of your child's State Immunization Record.
Option 2: Transcribe the immunization information onto the provided form.

Regardless of the option you choose:

Complete all sections of personal information on the form.

Sign and date the form.

If you attach the State Immunization Record, attach it to the completed form before submitting.

- Child Health Report** - required by Wisconsin State Licensing.

A physician's signature is required for the Child Health Report to be considered complete.

Optional Form:

Tuition Assistance Form - Complete this form if you are applying for financial assistance.

As a State-Licensed preschool, ACP is expected to maintain strict licensing requirements. Forms required by the State of Wisconsin must be kept on file as indicated for each child enrolled; missing or incomplete forms can result in a child not being eligible to attend preschool until all required forms are complete and returned.

A copy of the Wisconsin Rules for Licensed Group Care Centers is posted at our school information center or upon request.
